INSTRUCTIONS

PARTS

ASSEMBLY

Step 1: Unhook the side latch to release the stroller carriage.

Step 2: Unfold the stroller carriage. Be sure the two side connectors snap into place.

Page 1

Step 3: Fasten the Velcro straps to the center bar.

Step 5: Pull forward the awning to zip close the front mesh flap.

zippered close.

Step 4: The rear entrance may be

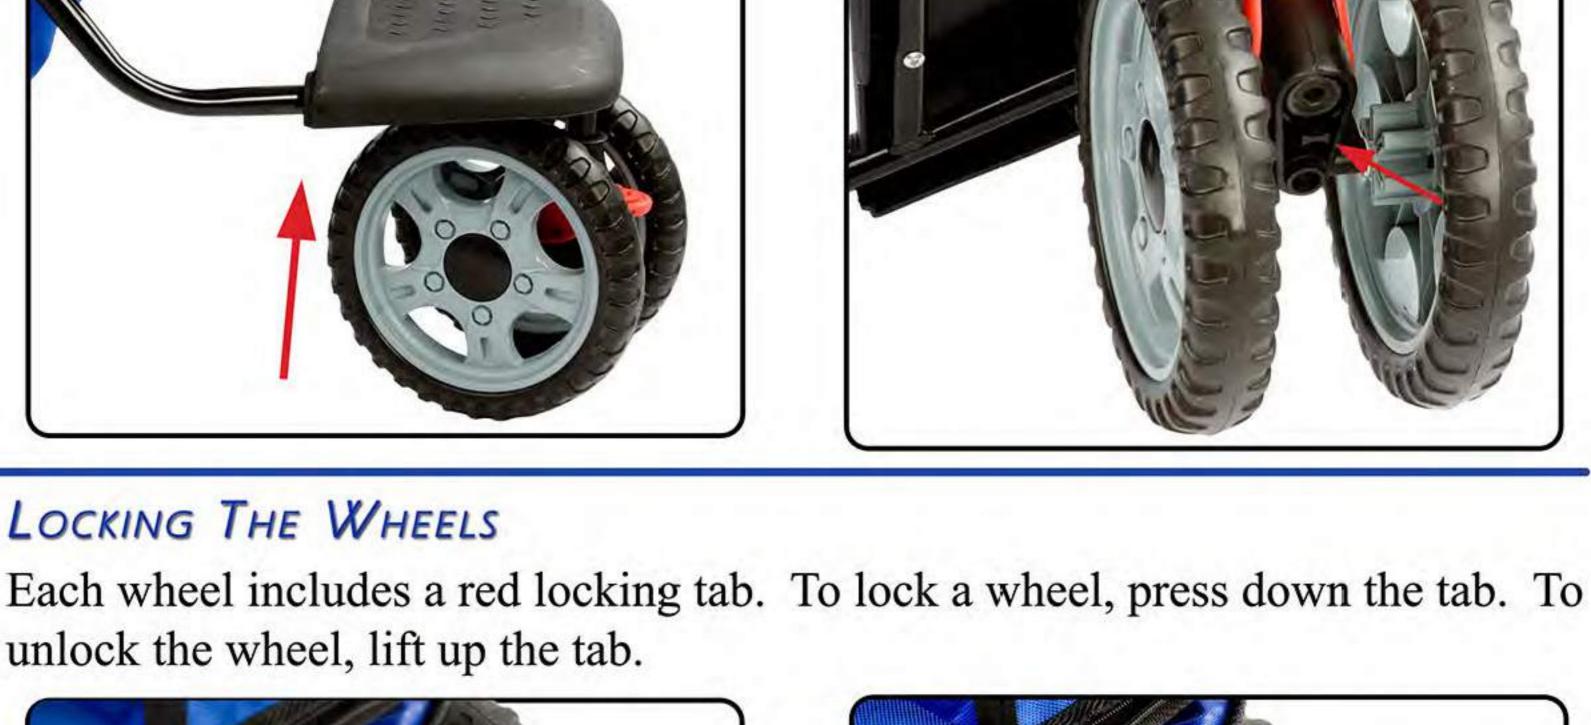

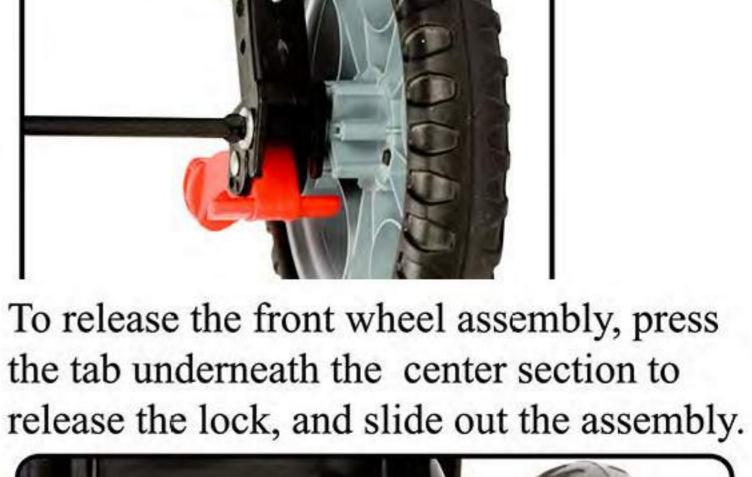

into the back legs until it locks in place.

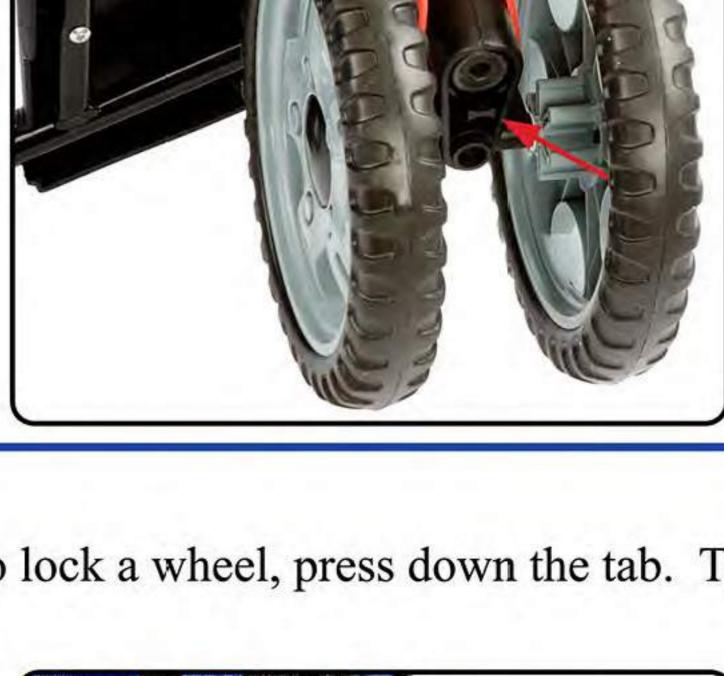

Step 6: Slide the back wheel assembly

The stroller may be folded up when not in use.

Detach the Velcro straps from the center bar. Lift up on the

side connectors to release them, allowing the stroller to fold up.
